

Stephen M. R. Covey

Advisor on trust, leadership, ethics, and high performance

Stephen M. R. Covey is co-founder and CEO of CoveyLink Worldwide. A sought-after and compelling keynote speaker and advisor on trust, leadership, ethics, and high performance, he speaks to audiences around the world.

He is the author of *The SPEED of Trust*, a groundbreaking and paradigm-shifting book that challenges our age-old assumption that trust is merely a soft, social virtue and instead demonstrates that trust is a hard-edged, economic driver—a learnable and measurable skill that makes organizations more profitable, people more promotable, and relationships more energizing. Covey passionately delivers that message and is dedicated to enabling individuals and organizations to reap the dividends of high trust.

He is the former CEO of Covey Leadership Center, which, under his stewardship, became the largest leadership development company in the world. Covey personally led the strategy that propelled his father's book, Dr. Stephen R. Covey's *The 7 Habits of Highly Effective People*, to one of the two most influential business books of the 20th Century,

Over the years, Covey has gained considerable respect and influence with executives and leaders of Fortune 500 companies as well as with mid- and small-sized private sector and public sector organizations he's consulted. Clients recognize his unique perspective on real-world organizational issues based on his practical experience as a former CEO. Covey currently serves on the board/advisory board of several entities, including the Human Performance Institute—the leader in energy management technology—where he serves as Advisory Board Chairman
