

## Todd Benjamin

*Financial and Economic Expert*

Todd Benjamin is well known to television audiences across the globe. For 26 years he worked as an anchor, correspondent and financial editor for CNN. During that time he was based in Washington DC, New York, Tokyo and London.

An award winning journalist, Todd has interviewed everyone including most recently former US President Bill Clinton, Nobel Economic Laureate Joseph Stiglitz, Mikhail Gorbachev, Alan Greenspan and several of the world leading CEOs including Jack Welch, Lou Gerstner and Carlos Ghosn.

Until 2008, Todd appeared on CNN as an independent analyst to provide live commentary and analysis and to write a blog for the CNN website where his views on the economy, financial markets, energy and other issues were widely followed. Todd is a senior advisor to Xynteo, an international management consultancy whose clients include Gazprom, Wilhelmsen, Deutsche Bank and many others.

Todd is also a visiting lecturer in leadership at the London Business School Executive Education program. Before joining CNN, he worked as an investigative and business reporter in local television news in Phoenix, Arizona.

A consummate professional with wide-ranging international experience, informed opinion of financial and economic markets and issues of globalisation combined with his expertise in interviewing key business and political leaders, makes him an excellent speaker.
